

Training Materials

Before Speak Up:

- **Review enclosed training materials.** More, including an 11-minute advocacy training video, at bit.ly/speakuptraining2019.
- **Identify your state legislators and learn more about them** at leg.colorado.gov/findmylegistrator and by googling them.
- Familiarize yourself with the Colorado legislature's website at leg.colorado.gov - read about bills of interest and more!
- Follow #SpeakUpCO on social media for advocacy tips and to connect with other Speak Up participants.

Training Materials include:

- Speak Up Agenda
- Transit & Parking
- History Colorado Parking
- #SpeakUpCO Social Media Tips
- Legislative Visit Toolkit
- Summary of Relevant Bills
- 2019 Data Snapshot
- Lobbying vs Advocacy

WORKSHOPS: Based on feedback from registered participants, we will offer the following skills building workshops. You are free to pick the workshop that interests you most on the day of the event.

- Deeper dive into the early childhood development and child health bills from the 2019 Colorado General Assembly.
- Diversifying the voices heard at the Capitol: How to engage people directly impacted by policy change.
- Overview of federal policies impacting early childhood development and child health.

If you are no longer able to participate in Speak Up, please contact Lauren Gennaro at lauren.gennaro@childrenscolorado.org or (720) 777-2897 so we can open your space to others.
